Behind The Wheel

Bm **Dm**

My little girl, drive anywhere

Gm

Do what you want

Bb

I don't care

Bm **Dm**

Tonight I'm in the hands of fate

Gm

I hand myself

Bb

Over on a plate

Bm Dm Gm Bb

Now

Bm

Oh little girl

Dm

There are times when I feel

Gm

I rather not be

Bb

The one behind the wheel

Bm **Dm**

Come Pull my strings

Gm

Watch me move

Bb

I do anything

Bm Dm Gm Bb

Please

Bm

Sweet little girl

Dm

I prefer

Gm

You behind the wheel

Bb

And me the passenger

Bm **Dm**

Drive I'm yours to keep

Gm

Do what you want

Bb

I'm going cheap

Bm

Tonight

Dm Gm Bb

You're behind the wheel, tonight
