Surely

A G D E

Surely there's a way I could please you

A G D E

Only in your past, lie the tears

A G D F

Surely there's a day you can say went your way

E E A

Some illusion you can keep through the years.

A G D E

Only if I lied could I love you

A G D E

Nothing of our lives could we share

A G D F

Only could we try to get by on a sigh

E E A

Just because, just this once, I was there.
